Description: SEE FEST OPENS APRIL 29 AT THE GOETHE-INSTITUT LOS ANGELES The 5th Annual South East European Film Festival takes place April 29th through May 3rd in Los Angeles, at the Goethe-Institut Los Angeles and UCLA. As the only American film festival focused entirely on southeast Europe, SEE Fest has pioneered the concept of regional, cross-border programming with issue-driven films about the Balkan region, its troubled history, and its cultural diversity. Each year, the festival presents over 20 features, documentaries, and shorts, from different points of view and diverse interpretations of the struggle to overcome a hostile political landscape. For tickets and further information go to www.seefilmia.org, or tickets can be bought through <http://www.itsmyseat.com/SEEFEST.html>.
